Allegro Residences unites for Haiti

Numerous residences of the Allegro network organized fundraisers, by their own initiatives, in order to offer their support to the people of Haiti, through various organisms. The violent earthquake that shook this country devastated several cities, namely Port-au-Prince, the capital. The management of Allegro Residences congratulates and thanks all residents, employees and volunteers who participated and contributed, near or far, to this noble cause.

Here are a few examples of fundraisers and amounts raised:

Manoir Bois-de-Boulogne, Montréal
Over \$8,000 for the Red Cross

Domaine des Cascades, Sainte-Catherine
Over \$5,000 for UNICEF

Villa Saguenay, Chicoutimi

Résidence Notre-Dame, Victoriaville

Le Wellesley, Montreal
