retirement residence

At **The Renaissance**,  
we promise you  
our undivided attention...

## A welcome message...

As general manager of The Renaissance Retirement Residence, my role is to ensure that our entire team is always there for our residents. Making sure each individual feels comfortable, safe and secure is the first priority of every one of us.

That's what people love most about The Renaissance. We provide services and activities designed to meet the lifestyle preferences of active, independent retirees. Yet at the same time, the atmosphere is relaxed and informal. That's exactly what people love about our facilities and our staff – it's all about making sure you feel right at home. And our residents know that if they have any suggestions about how we can make them feel even more comfortable, they can call or drop by my office at any time. My door is always open and their feedback is always welcome.

To see if The Renaissance is right for you, I invite you to join us for tea, lunch or a trial stay. I look forward to seeing you, and on behalf of our team, I thank you for considering us.

The General Manager

## Taking care

Although The Renaissance is designed for the active, independent senior, many of our residents use fee-based care and assistance services available through private service providers; some residents are eligible to have certain services subsidized through the provincial health authority. We can assist you by working in partnership with the non-profit care-giver Cornerstone Care Services, which is located on our facilities, or in conjunction with any other service provider of your choice. Regardless of which options you choose, our goal is to do everything we can to help you keep healthy, active and independent.

**We can help you arrange for private fee-based or subsidized care services to meet your current and evolving healthcare needs and preferences.**

“If you looked in through a window and saw everybody, you might think we’re all part of the same family. And, in fact, we are.”

## Having fun

Our activities coordinator works with our in-house team, community volunteers and several of our residents themselves, to create an activities schedule that’s diverse, well-rounded and fully-supervised by our qualified personnel. Whether you prefer a lot of action or a quiet, relaxing get-together, our facilities and programs are designed to encourage social interaction, and to enhance your physical, spiritual and emotional wellness. In addition to our onsite activities, we have our own minibus, which we use almost every day to provide a variety of outings, from short trips to the shopping centre to all-day excursions.

### **We offer activities and programs for making the most of every day, including:**

- Movie nights
- Fitness classes
- Tai Chi
- Bingo
- Happy hour
